

The Andrew Jackson Council's mission is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law. Our vision is to be the nation's foremost youth program of character development and values-based leadership training.

In the future Scouting will continue to:

- Offer young people responsible fun and adventure.
- Instill in young people lifetime values and develop in them ethical character as expressed in the Scout Oath and Law.
- Train young people in citizenship, service, and leadership.
- Serve America's communities and families with its quality, safe, values-based program.

In this mission and vision, we will not deny any youth the right to membership due to financial reasons. Please give us some basic information that will determine your need and how we can help. Please print.
